ephesians 2:1–10

Here's something interesting to think about: in God's great plan for the world, He decided to create you. He didn't have to, but He did. He created you because of His immeasurable love for you. Yet, even though God loved you, there was a great distance between you and Him.

You see, God is perfect. And you were a sinner in need of saving. Read Ephesians 2:1–5. What does it say you used to be? Dead to your sins. What does it say you used to do? Live among the disobedient and gratify your sinful cravings. This is who you used to be . . .

That's the cool thing. Verses 4 and 5 say that because God loved you, He made you alive in Christ. Even though you were still a sinner, God provided a way to Him. Because of His grace, God sent Jesus to conquer sin so you might have a relationship with God. Amazing!

Keep going. Read verses 6–7. You see, it wasn't enough for God to simply improve your life here on earth. Verse 6 says God has a place for you in heaven with Him! God wants to lavish you with good things. He can do this because He gave you new life through Christ. You are no longer a slave to sin; you are a new creation through Jesus Christ!

What is behind this amazing plan, this incredible gift? Simple. God's grace. Read verses 8–10. God saved you from the punishment of sin because of His grace. If you have faith that Christ is the Son of God and that He died on the cross and rose from the dead to save you from your sins, then you receive the salvation God made available to you. This salvation is only through grace. No one can earn God's love.

Verse 10 makes a pretty strong statement: You see, God made you to be a special tool, an instrument of His will. God planned all along that you would be a messenger of the good news of Christ and that you would bring life to a dying world. Ask yourself today if you are pleased with your spiritual life. Are you growing like you want to? Are you being used by God? Go to God in prayer. Thank Him for creating you, for saving you, and for promising to use you. Devote some time to thinking about how you can be of better use to God.
