DYNAMIC RELATIONSHIPS IN GOD'S WORD

It's our new Bible study starting soon!

What does every bestselling book, chart-topping song and top-grossing movie have in common? The answer is simple: Love. Love is the common thread that runs through the most popular works of every art form. We, as a culture, are fixated on love (it even has its own holiday!). Everyone wants to love and be loved. It's almost as if we were created FOR love, which would make sense because, as Scripture tells us, God IS love.

The Bible is a record of God's love and care in the lives of mankind, even when they didn't deserve it. *Love Letters: Dynamic Relationships in God's Word* will allow students and adults to explore a variety of letters and writings from both the Old and New Testament that show how God's love covers everything we as believers encounter in our lives.
