

How To Use the *Just Like Christ* series on a ***Retreat or D-Now Weekend***

The *Just Like Christ* series is ideal for use on a D-Now Weekend or on a retreat. Below is a suggested plan to teach the *Just Like Christ* series.

Session 1

- Teach Lesson 1 from your *Just Like Christ* study on the first night of your D-Now or Retreat Weekend.
 - Instruct your students to read the Lesson 1 devotional before they go to bed on the first night.
- ***Don't forget . . .***
 - If you have purchased the corresponding DVD for your *Just Like Christ* study, you will need to make arrangements to show the video for Lesson 1.
 - Be sure you have extra *Just Like Christ* Student Books for your study in case your students bring a friend at the last minute.

Session 2

- Teach Lesson 2 from your *Just Like Christ* study on the morning of the second day of your event.
 - Be sure you remember to review lesson 1.
 - You may want to have students share any thoughts they had from the previous nights' devotional.
 - Before you break for lunch or free time, provide a time for students to do Lesson 2 devotional in a quiet location.
- ***Don't forget . . .***
 - If you have purchased the corresponding DVD for your *Just Like Christ* study, you will need to make arrangements to show the video for Lesson 2.

Session 3

- Teach Lesson 3 from your *Just Like Christ* study sometime during the evening on the second day of your event.
 - Review lessons 1 and 2 and help students make connections between them.
 - Instruct students to do Lesson 3 devotional that night before they go to bed.
- **Don't forget . . .**
 - If you have purchased the corresponding DVD for your *Just Like Christ* study, you will need to make arrangements to show the video for Lesson 3.

Session 4

- Teach Lesson 4 from your *Just Like Christ* study on Sunday morning as a means of closing the event.
 - Consider teaching Lesson 4 on Sunday morning or Sunday evening, depending on how your programming is structured.
 - When you close out your *Just Like Christ* study, ask for individual students to share what the weekend has meant to them.
 - Instruct students to do Lesson 4 devotional Sunday night before they go to bed.
- **Don't forget . . .**
 - If you have purchased the corresponding DVD for your *Just Like Christ* study, you will need to make arrangements to show the video for Lesson 4.
