

## GOD: His Divine Nature

Genesis 1:1-5; Acts 17:22-28

**Memory Verse:** “For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse.” Romans 1:20

**Discuss:** If God created everything, then who created God?

	His Divine Attribute	What does that mean about God?	What does that mean to me?
1	Self-existent		
2	Self-sufficient

### Something to think about...

God can do all He will (and does) but need not do all He can (and does not).

God's infinite power is manifested in the works of creation, but isn't exhausted by them.

God could have created more than He has, if He so pleased.

What God has done, therefore, is no measure of what He could have done or can do.
