

Session 1: What Could Be Learner Handout

CHAPTER 1: Dreams and Dreamers:

“When our dreams flow from the heart of God, lives will be transformed, believers will grow in their faith and God’s kingdom will increase rapidly.” When have you’ve recognized God’s dreams in your lives?

KEY: A dream that has been birthed by _____ will always place us on the path to _____ to the Word of God.

Innovations in the last 20 years:

How those innovations being used by the church:

CHAPTER 2: The Roman Road:

Author Sammy Tippit points out that “the great miracle [on Pentecost] was not the disciples speaking in tongues but rather that the people heard in their own languages. That has been one of the most powerful missionary principles since that time.” Why is this true?

KEY: Every person deserves to hear the _____ in his or her own _____.

In first 12 chapters of the Book of Acts, thousands of people came to Christ. However, in chapter 13, the focus turns to Paul’s evangelistic efforts and how he used the technology of the time (the Roman Road) to take the message of Christ out.

Describe the Roman Road:

How the Roman Road facilitated evangelism:

CHAPTER 3: Explosion at the Intersection of Innovation and God’s Intent:

Define these words:

Innovation:

Prayer:

Proclamation:

KEY: Moments of historical change produce _____ for the gospel.

Innovators must view problems and opportunities with a new set of eyes in order to create new methods and solve problems. What does that mean?

Consider this week: What have you heard in this session that changes your understanding of evangelism?
