## SMALL GROUP DISCUSSION QUESTIONS

- How did Mary's understanding of and belief in God give her confidence to obey Him despite the unexpected circumstances?
- When we distrust God's word and calling in our lives, whom are we placing in control of our lives instead of Him?
- How did Mary's obedience display her belief that she belonged to God, and His will was preeminent?
- What do our actions reveal about our priorities in life when we make our own happiness our main priority?
